Dear Ms. Morgan,

You requested the Foreign Filing date, in connection with a Petition to Revive. Unfortunately, we do not have a precise date, but the approximate date is November 2001. The inventors sold the Japanese rights to another corporation, which filed the Japanese application. The US inventors and assignee are unaware of the actual date the application was filed in Japan. We were not notified of this foreign filing until March of 2002. If you need a precise date, I will attempt to contact the Japanese party, and get more data.

Please feel free to contact me if you have any further questions I could answer.

Sincerely,

  
Judith A. Szepesi
